

Kyos Energy Consulting

decommissioned emission allowances
from the European Emission Trading Scheme.
This avoids emissions amounting to

508.45 tons of CO₂

Thank you!

A handwritten signature in blue ink, appearing to read "Schuldt".

Hendrik Schuldt
(Board of Directors)
Berlin, 29.11.2024

It is hereby confirmed that Compensators e.V. has set-aside emission allowances to the extent specified above and in accordance with the [Compensators-Method](#).
